# Command Central

The SieMatic S2 integrates multimedia, Internet, and appliance monitoring into a hardware-free kitchen system design. The cabinetry is available in a variety of colors and finishes, and users can control the multimedia via remote or the SieMaticGrid interface panel. SieMatic. 215.604.1350. New to the U.S., the Lipstick wall-mounted range hood is a sleek model from the Platinum collection, popular with the European market. The stainless steel hood circulates air at 400 cubic feet per minute and comes in multiple shades. Broan-NuTone. 800.558.1711. [www.bestrangehoods.com](http://www.bestrangehoods.com).

## New Tradition

This modern Chinoiserie style of custom cabinetry combines Chinese Chippendale design with a new technique, the "Silver Veil," which antiques the finish. Eight-sided mullions, undercabinet lighting, and German hardware keep the design contemporary, says the manufacturer. Plain & Fancy. 800.447.9006.
