THE INTERNATIONAL DESIGN AUTHORITY

MAY 2015

A vibrant interior scene, likely a bedroom or a small lounge, with deep green walls. In the center, a small table with a patterned top holds a bust of a man, a bowl of fruit, and some small objects. A chair with a patterned backrest stands in front of the table. Behind the table is a bed with a dark headboard and two red patterned pillows. The floor is covered with a large, patterned rug. To the right, a window with a green frame looks out onto a balcony with a yellow vase of pink flowers. The overall atmosphere is rich and eclectic.
