Designer Martyn Lawrence Bullard and French glassmaker Daum created this stunning limited-edition Eden Chandelier, a *pâte de cristal* light fixture with apple and bronze snake. \$79,020. Daum-Haviland boutique, NY.

A modern tribute to the cool elegance of the Jazz Age, Tiffany's sterling silver tray from the Ziegfeld Collection captures the style and sophistication of the 1920s. The collection is named for the Ziegfeld Theatre in New York City, an Art Deco landmark marked by bold geometry and lavish ornamentation. \$20,000. tiffany.com.

A magnificent Steinway piano encrusted with half a million Swarovski crystals was unveiled this spring, bringing a whole new meaning to the term "grand piano." The custom-made Crystal Piano, which took six months to build with every crystal applied by hand, was created by British bespoke piano company Goldfinch for £420,000. goldfinchpianos.com.
