

GORALNICK™ recently undertook the repositioning, re-conception, and re-merchandising of the John-Richard Furniture & Accessories flagship showroom in the New York Design Center at 200 Lexington Avenue. Here's a first look at the results.

Barry Goralnick has transformed the John-Richard New York Showroom into an inspired shopping experience with a sophisticated, serene setting for the company's furniture and accessories.

The showroom now highlights John-Richard's strongest and most appropriate pieces for the New York market, displaying them in an uncluttered setting, grouped in inspiring, relatable, visually pleasing vignettes.
