Curated Cartesian Vanities

FROM: **Robern**

Request More Information

Robern has enhanced its Cartesian line of modular floating vanities with the turnkey Curated Cartesian Vanities. The company's designers have handpicked from the configurations, materials and finishes available within the Cartesian line to create nine preconfigured Curated Cartesian Vanities. Features of the nine floating vanities may include glass finishes and Silestone engineered stone; spacious drawers and tip-out storage options; and touches like in-drawer electric, hot storage and UL-listed LED nightlights.
